ABOUT ME

I completed the course "Automated Testing Foundations with JavaScript" from EPAM Systems and have some experience with tools for writing test scripts such as Mocha, Selenium Webdriver and WebdriverIO using JavaScript with Node.js and Visual Studio Code.

I am looking for further development in automated testing and would be happy to join a QA team to work together on interesting projects, including internships.

SKILLS

JavaScript	Mocha
Node.js	JSON
Visual Studio Code	Git
Selenium Webdriver	
WebdriverIO	

MARHARYTA DUBANEVICH
